LOVE SPACE TO UNWIND LIVE TO SHAPE THAT SPACE

The interior of every Cluain Adain home is built with you in mind. Whatever you have in mind - space for the kids to play, a place to work from or more room to entertain friends, each home offers all the flexibility you will need.

The comfort you want, how you want it.

Space and light help you to bring the plans for your home to life. Our designers factor in real furniture sizes into each home's layout to make furnishing your home to your taste a far easier process.

A1 rated Specs and Standards

If it isn't A-rated, then it isn't a Glenveagh home. Each property of ours performs at the highest possible level on the BER efficiency scale — exhibiting the highest standards of insulation and airtightness.

LOVE THE FUTURE OF COMFORT LIVE WITH EFFICIENT TECHNOLOGIES

The efficiency of a home isn't something that's just felt in your back pocket, but through the comfort and warmth you experience every day. All Glenveagh homes are built using modern construction techniques and technology that benefits you, the owner.

Our homes are built to be energy efficient with a minimum A-rating on the BER scale with the highest standards of insulation and airtightness in all our properties.

What do homes of the future look like?

We're building the homes of tomorrow, today. We incorporate sustainable and renewable technology to reduce the carbon footprint of your home, not only in how it's built, but in how you experience it from the day you move in. Developments in solar technology will mean that your home can generate its own energy, and in the future even contribute back to the national grid!

Why is an airtight home a better choice?

Efficiency and sustainability isn't simply about generating heat or the energy you use in your home; it's about retaining it and keeping it in. Your home is completely wrapped using the very latest underfloor, wall and attic insulation technology, making it airtight so there's no air leakage. Glenveagh homes use sophisticated ventilation systems to remove condensation and contaminants to ensure a better quality of air throughout.

How a heat pump works for your home

A heat pump costs a lot less to run than gas or oil, and is a far more efficient way to heat a home. A heat pump system draws heat from different sources: air, water or the ground. The heat generated is then distributed throughout the home, and because your home is airtight and uses better insulation it takes less energy to create a comfortable space.

Pre-wiring for Electric Vehicles

Even if your current car isn't an electric or hybrid model, you may decide to switch in the future. That's why provisions for the installation of an electric vehicle charge point are made where applicable, so your home is ready when you make the move to electric driving.

Solar PV panels make a big difference

The latest solar panel technology can make a big difference to your home. Not simply in terms of sustainability but in cost savings too. By capturing natural light from the sun, photovoltaic panels on the roof of your home offer an environmentally friendly way to power your TV, kettle or toaster or Electric Vehicle!

HELP-TO-BUY SCHEME

The Help-To-Buy scheme is designed to help first-time buyers overcome the hurdle of getting your deposit together.

The Help-To-Buy scheme is a tax rebate scheme for first-time homebuyers, provided by the Irish Government. With it, you can get 10% of the purchase price or up to a maximum of €30,000 towards your deposit for a new-build house or apartment.

Help-to-Buy cannot be used to purchase previously owned or second-hand homes.

See how the Help-To-Buy Scheme can make your new Glenveagh home more achievable, visit glenveagh.ie or revenue.ie

FIRST HOME SCHEME

Glenveagh support the First Home Scheme, which is funded by the Government of Ireland in partnership with participating lenders.

If you qualify and avail of the First Home Scheme, the State and participating lenders will provide up to 30% of the market value of your new home, in return for the same percentage share in equity of the property. It allows eligible first-time buyers, bridge the gap between the deposit, mortgage and the purchase price of a new build home. The amount of funding that you qualify for depends on where the new home is located and whether it's a house or an apartment.

For more information about the First Home Scheme visit glenveagh.ie or firsthomescheme.ie

LOVE STRONG COMMUNITIES LIVE TO MAKE A DIFFERENCE

We aim to enrich the lives of those who live in our communities.

We take pride in our place in local communities. That's why we're determined to play an active, meaningful role in the areas wherever we build, through substantial local investment and support for the people who live there.

Our approach is about building sustainably for every community for the future.

We support countless initiatives throughout every community we build - from sponsorships of local sport like Meath Hurling and providing recreational areas, green spaces, playgrounds and cycle tracks for residents, to charitable supports that make a difference in our wider communities.

We're committed to adding lasting value to our communities, through Community Planting Days and pop-up Christmas Events, sponsoring Gaelic4Girls, supporting ALONE and the Jack & Jill Foundation. We're particularly proud of our partnership activities with schools through safety talks and bringing Nature Hero Awards to local schools like St Annes Loreto Primary and Navan Educate Together Primary.

WE'RE HERE TO HELP YOU SETTLE IN

We want you to feel at home from the moment you move in — and for a long time after that! That's why we place such importance on those early few months after you get the keys to your home.

We also provide our own dedicated Customer Care team for new homeowners. They're always on hand and available to help with any issues within your home or with any general queries, ensuring that you have a pleasant and positive experience from day one.

Of course, each of our homes also comes with an extensive range of warranties and guarantees that cover virtually every aspect of your new home.

Our Greencare Teams maintain the landscaping around each Glenveagh development and are responsible for planting, pruning, cutting, and cultivating the green spaces around your home. We believe that biodiversity in our communities isn't simply about adding colour, it's about bringing living, breathing, natural sustainability on our doorstep.
