What is a Green Mortgage?

A Green Mortgage is a lower rate of interest for high energy rated homes.

A Green Mortgage is available to customers who want to live in a sustainable home. It offers a lower rate of interest for homes with a Building Energy Rating (BER) between A1 and B3.

Whether you are buying, building or switching your mortgage it's a big deal and EBS are here to help you every step of the way along your mortgage journey. With a dedicated advisor EBS will be available to answer all of your questions and guide you through each and every step of the mortgage process. We have offices in Navan, Dundalk and Lucan and our mortgage advisors are free to chat mortgages whenever suits you, during the day, evening or weekend.

Contact Lisa Kelly or Alan Sweeney in EBS Navan and Dundalk.
