# Discover Athboy

Athboy is a historic market town in Co. Meath, offering a welcoming setting for modern family life. With a strong sense of community, everyday amenities and a distinctive local character, it is a place where heritage and convenience sit comfortably side by side.

From independent shops and cafés to schools, green spaces and community facilities, Athboy provides the essentials for day-to-day living, while remaining well connected to the wider region. It is this balance of charm, accessibility and quality of life that makes it such a fitting setting for Darnley Grove.

01

## Heritage & Character

A long-established market town with a distinctive identity and a welcoming sense of place.

02

## Everyday Convenience

Shops, cafés, schools and local services help make daily life simple and enjoyable.

03

## Community Living

Athboy offers a strong community spirit, quality local amenities and an appealing pace of life.

# Where Heritage Meets Home

Darnley Grove is a thoughtfully planned residential development of 85 A-rated homes at Townparks, Athboy, Co. Meath.

Named after the Earls of Darnley who shaped this historic town, the development combines modern energy-efficient design with the charm of one of Meath's most welcoming communities.

Offering 2, 3 and 4-bedroom homes, an on-site crèche and generous public open space, it is designed for families, first-time buyers and anyone seeking quality living with easy access to Dublin.

01

## Thoughtful Design

By Michael Fitzpatrick Architects, with spacious layouts ranging from 80 m<sup>2</sup> to 145 m<sup>2</sup>.

02

## Town Living

Historic Athboy town centre with local shops, cafés and the Darnley Lodge Hotel on your doorstep.

03

## Space to Grow

Over 4,500 m<sup>2</sup> of public open space, dedicated play areas and landscaped grounds throughout.

# Save More, Live Better

Every home at Darnley Grove is built to A-rated BER standards – meaning lower bills, greater comfort and a home that holds its value for years to come.

up to  
**60%**

**Lower Energy Bills**

Compared to a typical older home

**€1,200+**

**Annual Savings**

Estimated vs B3-rated property

**€30k+**

**Over 25 years**

Mortgage lifetime saving

**Lower Energy Bills**

A-rated homes use a fraction of the energy of older properties, keeping monthly costs down.

**Year-Round Comfort**

Superior insulation and heat pump technology help keep homes warm in winter and cool in summer.

**Low Maintenance**

New-build quality means no draughts, no damp and less to fix – simply move in and enjoy.

**Built-In Value**

A-rated homes are increasingly sought after and can support stronger long-term resale value.

Designed for today and tomorrow –  
efficient, comfortable and built for modern living.

**Energy Efficient**  
A-rated by standard

**Sustainable Living**  
Lower carbon footprint

**Long-Term Savings**  
More in your pocket

**Future Ready**  
Built to the highest standards
