

# Building Energy Rating (BER)

BER for the building detailed below is:

**B2**

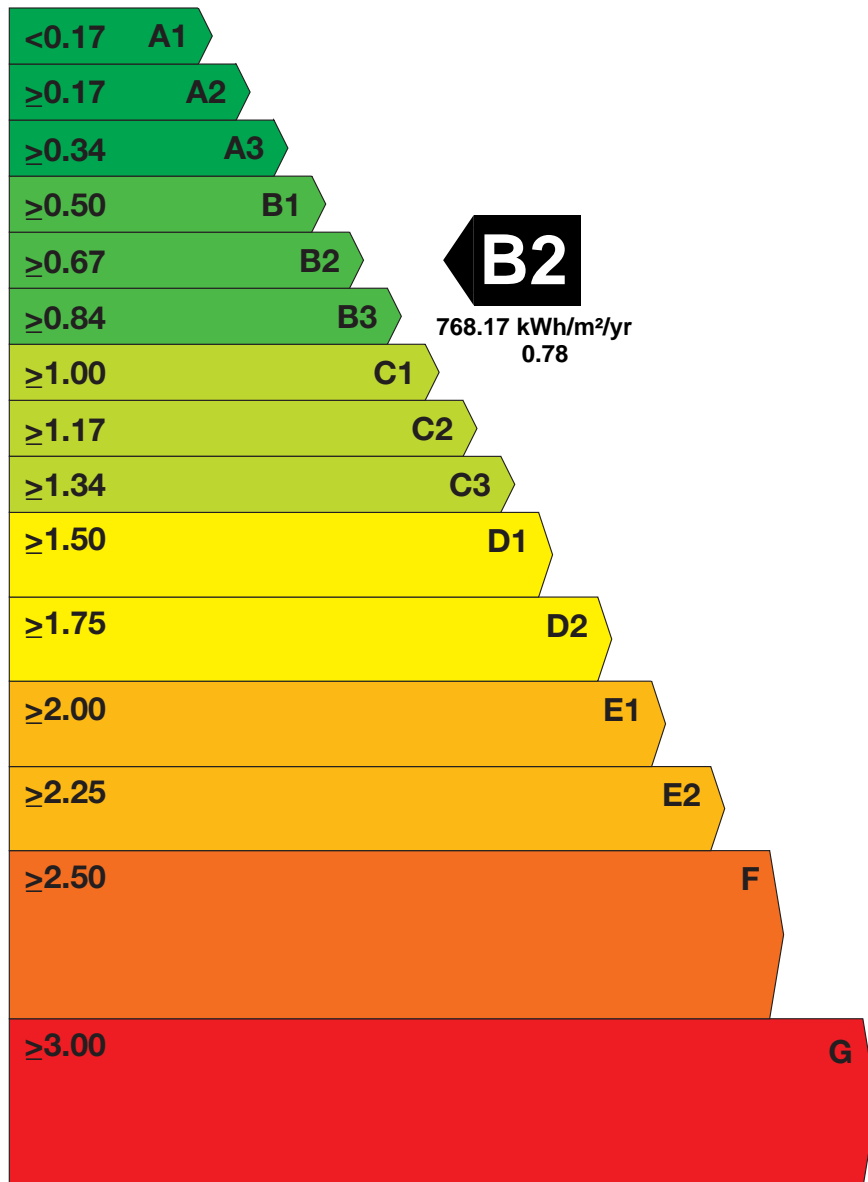

**KILDALKEY ROAD  
TRIM  
CO. MEATH**

The Building Energy Rating (BER) is an indicator of the energy performance of this building. It covers energy use for space heating and cooling, water heating, ventilation and lighting, calculated on the basis of standard operating patterns. It is accompanied by a CO<sub>2</sub> emissions indicator. These indicators are expressed as respective ratios of primary energy use and CO<sub>2</sub> emissions, relative to what would apply for a similar building generally satisfying the Building Regulations 2005. 'A' rated properties are the most energy efficient and will tend to have the lowest energy bills.

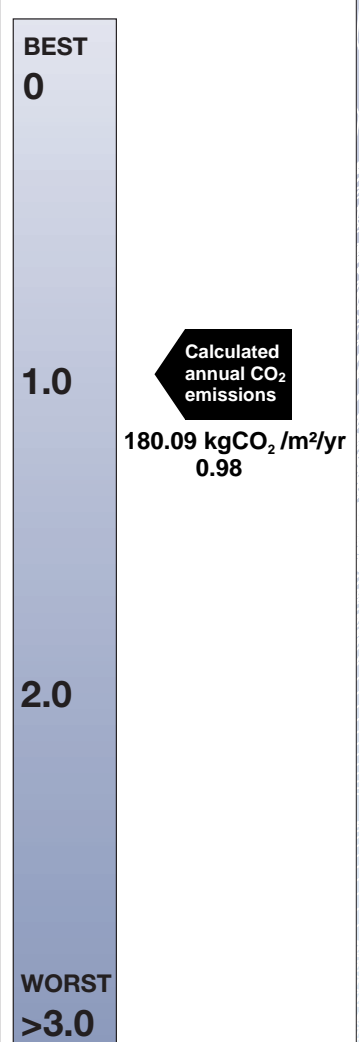

BER Number:	<b>800713356</b>	Date of Issue:	<b>25 Sep 2019</b>
Building Type:	<b>General Assembly and Leisure, Night Clubs, and Theatres</b>	Date of Issue:	<b>24 Sep 2029</b>
Useful Floor Area (m <sup>2</sup> ):	<b>330</b>	BER Assessor No.:	<b>106065</b>
Main Heating Fuel:	<b>Oil</b>	Assessor Company No.:	<b>104592</b>
Building Environment:	<b>Heating and Natural Ventilation</b>	Assessor Scheme:	<b>SEAI</b>

## Building Energy Rating (Indicator)

**MOST EFFICIENT**

## Carbon Dioxide (CO<sub>2</sub>) Emissions Indicator

The less CO<sub>2</sub> produced, the less the building contributes to global warming.

**IMPORTANT:** This BER is calculated on the basis of data provided to and by the BER Assessor, and using the version of the assessment software quoted above. A future BER assigned to this building may be different as a result of changes to the building, its use or the assessment software.
